

PROCEEDINGS OF THE COMMON COUNCIL

IN Regular SESSION

July 24, \_\_\_\_\_, 19 73

CITY OF FORT WAYNE, INDIANA  
Journal of the Proceedings  
of the Common Council

The Common Council of the City of Fort Wayne met in the Council Chambers  
Tuesday evening July 24 A.D., 19 73 in Regular  
Session. President Winfield C. Moses, Jr. in the chair, and Charles W. Westerman  
Clerk, at the desk, present the following members \_\_\_\_\_ viz:  
Burns ✓, Hinga ✓, Kraus ✓, Nuckles ✓  
Moses ✓, Donald Schmidt ✓, Vivian Schmidt ✓, Stier ✓  
Talarico ✓ Absent \_\_\_\_\_, Councilman \_\_\_\_\_

The invocation was given by Reverend Elbert Tingley - United Methodist Church  
Spencerville, Indiana

Received report from the City Controller for the month of June 19 73.  
Motion made and carried that report be made a matter of record and placed on file.

The minutes of the last regular July 17,  
July 10, \_\_\_\_\_, 19 73 Session  
having been delivered to the Council, were, on motion, approved as published.

PRAYER : CITY COUNCIL OF FORT WAYNE, JULY 24, 1973  
by (Rev.) Elbert R. Tingley, of 1905 Crescent Ave.,  
Fort Wayne: retired Minister of the Crescent Ave.  
United Methodist Church; former Executive Director  
of "Neighbors, Inc."; presently serving as Pastor  
of the United Methodist Church, Spencerville, Ind.

May we lift our minds and hearts into the mood of prayer.  
In awareness of GOD, the over-arching Truth, Meaning, and  
Righteousness of our lives, and all of Life: may we pray  
for ourselves and our City, as we meet in this setting.

We are here because of our interest, our concern, and our  
responsibilities as residents and citizens of this city.  
We are in a meeting of those elected to decide on local  
laws and ordinances necessary to maintain and improve our  
life together.

In moments of true reflection, we are thankful for this  
city in which we find our home. We are thankful for its  
gracious setting around the meeting of three rivers; for  
the commerce and industry which has developed here, serv-  
us, the country-side around, the Nation, and the World...  
and providing a livelihood for so many. We are grateful  
for the sense of security and safety which the majority  
of us enjoy. We rejoice in the continuing efforts to  
develop in us the finer and higher possibilities in Life:  
the religious fellowship of our churches; the resources  
for education in our schools and colleges; and the ex-  
panding opportunities for the appreciation and expression  
of the "Fine Arts" of our civilization.

Grant us a continued and growing vision of our City: a  
city of Justice, where none shall exploit, prey on, or  
hurt others; a city of Plenty and Equal Opportunity,  
where poverty and vice will cease to fester; a city of

Peace, where order shall rest not primarily on force, but on mutual respect and concern for other persons, and the COMMON GOOD; a city where Truth prevails in all communication, and none fear or suppress its free flow; a city whose true wealth and greatness consists not in the abundance of things we possess (or possess us), but in the abundance of neighborliness, of honorable public and governmental institutions, and in a continuing devotion to life, as it ought to be lived.

We pray in awareness that there are those, past and present, who sell the good of the City for private gain, staining their own and the City's honor by their cunning and greed. May we be filled with righteous anger to purge out this shame; but, may our anger be channelled in fairness and reason so as to bring true reform, not vengeance. May our anger not spare ourselves, citizens and elected officials alike, for the self-centered demands we place on those to whom we have delegated authority. May true reform start with us.

And if we stumble and fall; and in our own efforts (sincere or otherwise) fail: may the Providence of GOD, flowing through the past, the present, and the future, pick us up, set us straight, and continue to redeem us, and bless our City.

Amen.

Statement of the Fort Wayne, Allen County League of Women Voters to the Common Council of the City of Fort Wayne Concerning Bill No. G-73-07-04

The Fort Wayne, Allen County League of Women Voters supports the passage of Bill No. G-73-07-04 approving a project of the Housing Authority to purchase single family homes from FHA for rehabilitation, rental and sale to low income families.

The League views this project as an opportunity to lessen the inequality between the access to, and the supply of, housing for the middle class and for lower income people. This project also offers the means to expand opportunities for the poor and minorities to live in decent housing outside traditionally segregated areas. While public housing "projects" offer these same opportunities, they also have the negative potential to increase segregation by race and income well beyond the present patterns by concentrating large numbers of the poor in small areas.

Providing low income families an opportunity to rent or purchase remodeled homes located throughout our community will not only cost less than building more public housing units (\$4,000 to \$6,000 per home for remodeling versus approximately \$20,000 per new unit), but will encourage these families to become part of

the mainstream of community life.

While many citizens are ready to condemn racial discrimination in housing, fewer realize that economic discrimination just as effectively imprisons minorities and the poor. The League of Women Voters commends the Fort Wayne Housing Authority for creating a program to enable the low income family to make the transition from a subsidized housing configuration to independent home ownership.

JOURNAL OF THE PROCEEDINGS  
OF THE COMMON COUNCIL

The Common Council of the City of Fort Wayne met in the Council Chambers, Tuesday evening July 24, 1973, in Regular Session. President Winfield C. Moses, Jr. in the chair, and Charles W. Westerman Clerk, at the desk, present the following members nine viz:

Burns, Hinga, Kraus, Nuckols, Moses, Donald Schmidt, Vivian Schmidt, Stier, Talarico

The invocation was given by Reverend Elbert Tingley - United Methodist Church, Spencerville, Indiana.

*May we lift our minds and hearts into the mood of prayer. In awareness of GOD, the over-arching Truth, Meaning and Righteousness of our lives, and all of Life: may we pray for ourselves and our City, as we meet in this setting. We are here because of our interest, our concern, and our responsibilities as residents and citizens of this city. We are in a meeting of those elected to decide on local laws and ordinances necessary to maintain and improve our life together.*

*In moments of true reflection, we are thankful for this city in which we find our home. We are thankful for its gracious setting around the meeting of three rivers; for the commerce and industry which has developed here, serve us, the country-side around, the Nation, and the World.....and providing a livelihood for so many. We are grateful for the sense of security and safety which the majority of us enjoy. We rejoice in the continuing efforts to develop in us the finer and higher possibilities in Life: the religious fellowship of our churches;*

the resources for education in our schools and colleges; and the expanding opportunities for the appreciation and expression of the "Fine Arts" of our civilization.

Grant us a continued and growing vision of our City: a city of Justice, wherenone shall exploit, prey on, or hurt others; a city of Plenty and Equal Opportunity, where poverty and vice will cease to fester; a city of Peace where order shall rest not primarily on force, but on mutual respect and concern for other persons, and the COMMON GOOD; a city where Truth prevails in all communication, and none fear or suppress its free flow; a city whose true wealth and greatness consists not in the abundance of things we possess (or possess us), but in the abundance of neighborliness, of honorable public and governmental institutions, and in a continuing devotion to life, as it ought to be lived.

We pray in awareness that there are those, past and present, who sell the good of the City for private gain, staining their own and the City's honor by their cunning and greed. May we be filled with righteous anger to purge out this shame; but, may our anger be channelled in fairness and reason so as to bring true reform, not vengeance. May our anger not spare ourselves, citizens and elected officials alike, for the self-centered demands we place on those to whom we have delegated authority. May true reform start with us.

And if we stumble and fall; and in our own efforts (sincere or otherwise) fail: may the Providence of GOD, flowing through the past, the present, and future, pick us up, set us straight, and continue to redeem us, and bless our City.

Amen.

Received report from the City Controller for the month of June, 1973. Motion made and carried that report be made a matter of record and placed on file.

The minutes of the last regular July 10, 1973 Regular Session and July 17, 1973 Special Session having been delivered to the Council, were, on motion, approved as published.

COMMUNICATION FROM THE LEAGUE OF WOMEN VOTERS

Statement of the Fort Wayne, Allen County League of Women Voters to the Common Council of the City of Fort Wayne Concerning Bill No. G-73-07-04.

The Fort Wayne, Allen County League of Women Voters supports the passage of Bill No. G-73-07-04 approving a project of the Housing Authority to purchase single family homes from FHA for rehabilitation, rental and sale to low income families.

The League views this project as an opportunity to lessen the inequality between the access to, and the supply of, housing for the middle class and for lower income people. This project also offers the means to expand opportunities for the poor and minorities to live in decent housing outside traditionally segregated areas. While public housing "projects" offer these same opportunities, they also have the negative potential to increase segregation by race and income well beyond the present patterns by concentrating large numbers of the poor in small areas.

Providing low income families an opportunity to rent or purchase remodeled homes located throughout our community will not only cost less than building more public housing units (\$4,000 to \$6,000 per home for remodeling versus approximately \$20,000 per new unit), but will encourage these families to become part of the mainstream of community life.

While many citizens are ready to condemn racial discrimination in housing, fewer realize that economic discrimination just as effectively imprisons minorities and the poor. The League of Women Voters commends the Fort Wayne Housing Authority for creating a program to enable the low income family to make the transition from a subsidized housing configuration to independent home ownership.

SPECIAL ORDINANCE NO. S-\_\_\_\_\_

AN ORDINANCE fixing the salaries of each and every appointive officer, employee, deputy, assistant, departmental and institutional head of the City of Fort Wayne, Indiana for the year 1974.

WHEREAS, historically the salaries of the employees of the City of Fort Wayne have been determined arbitrarily without careful attention being paid the duties performed by the individual employees, and in some instances on the basis of personality rather than job responsibility and performance; and

WHEREAS, this situation has resulted in a salary schedule which is riddled with inequity and injustice and, because there has been no careful analysis of the duties of the various employees, this situation has also resulted in the employment of more persons than are required for the efficient functioning of the government of the City of Fort Wayne; and

WHEREAS, the manner in which the salary schedule has been administered has produced a situation detrimental to the City of Fort Wayne in that it has become increasingly difficult to recruit and retain superior personnel, morale and job

performance are adversely affected; and salary costs are unnecessarily high insofar as they reflect the employment of unnecessary personnel; and

WHEREAS, an independent committee of Fort Wayne businessmen has conducted an evaluation of the duties performed by each and every employee of the City and of the degree of responsibility exercised in the performance of such duties; and

WHEREAS, an independent committee of Fort Wayne businessmen has further conducted an analysis of the duties and responsibilities imposed upon certain employees of the City by statute; and

WHEREAS, such evaluation and analysis have enabled the Mayor of the City of Fort Wayne to, the Mayor in fact has, prepared a classification of the position of each employee of the City, which classification is based solely upon the aforesaid evaluation and analysis and which has resulted in a system of classification based solely upon objective factors and without regard to personalties and

WHEREAS, within each such classification there is a schedule of salary ranges which permits an even greater degree of objectivity in fixing salaries by permitting recognition to be given to such factors as the individual employee's experience, special skills and the like; and . . . .

WHEREAS, the Mayor of the City of Fort Wayne has fixed the salary of each employee of the City of Fort Wayne according to the aforesaid classification, the result being, a salary schedule which accurately and objectively reflects the duties and responsibilities of said employees and which is fair and equitable and which provides an incentive for persons to seek employment by the City and to remain in such employment once attained.

WHEREAS, the funds for such salaries are to be provided from the 1974 City Budget and other such sources as may be specified by Council.

THEREFORE, be it ordained by the Common Council of the City of Fort Wayne, That:

SECTION 1. That from and after the first day of January, 1974, the following appointive officers, employees, deputies, assistants, departmental and institutional heads of the City of Fort Wayne shall be paid according to the following schedule of salary ranges and position classifications, subject to budgetary provisions and the City's official Salary Administration Plan:

EXPLANATION OF CLASSIFICATION GROUPINGS

For all jobs within the City job structure - Civil City and City Utilities - there are six basic, broad groupings into which any job would fall. These classification groupings and explanations are:

I. Management and Finance

This group would include jobs such as those of Members of the Executive Staff, Administrative Assistants, Department Heads and their Assistants (except those specifically excluded by inclusion in the other five groups), workers primarily involved in Financial Operations (including budgeting, accounting, and bookkeeping), and management and staff members of Purchasing, Legal and Park departments.

Since this grouping includes the Mayor and any staff member included in the above functions but not excluded by inclusion in one of the other five groupings, its range is from grade 20-4.

II. Engineering and Allied

This group would include engineering-type jobs in both the management and staff of engineering departments and any engineering-type staff functions in non-engineering departments. Such functions would be professional and para-professional engineers, draftsmen, members of survey parties, inspectors of city facilities or structures or property covered by city ordinances, and members of data processing teams.

Since this grouping is limited to persons with specialized knowledge which is limited to a specific field, its range is from grade 16-6.

### III. Public Safety

This group would include staff and management jobs within such departments as Police, Fire, Communications, Weights and Measures, and Civil Defense, and any job within any other departments such as the Humane Shelter and the Park Department - when the job is primarily concerned with public safety.

Since this grouping includes such highly specialized and demanding jobs as the Chiefs of Fire and Police and also some jobs that have little demand such as Kennel Worker, its range is from grade 17-3.

### IV. Office and Clerical

This group would include only those workers who function as Office Managers, Secretaries, Stenographers, Clerk Typists, Clerks or Receptionists.

Since this grouping is so limited and normally lacking in great demand, its range is from grade 7-1.

### V. Public Services

This group is limited specifically to certain kinds of City Utilities jobs. Therefore, it includes no Civil City jobs.

### VI. Trades, Crafts and Labor

This group would include a variety of jobs in which work is done primarily by skill or sweat. It would include such areas as Building Trades, Machine Shop Trades, Electrical Trades, Custodial Work, and General Repair, Maintenance and Labor.

Since this grouping includes some highly skilled and responsible jobs such as Traffic Engineering's Sign and Marking Supervisor but primarily jobs that demand very little, its range is from grade 12-1.

#### CRITERIA FOR RATINGS Grades 1 thru 20

#### GROUPING I: Management and Finance

The top three grades (20-19-18) are reserved for those City Administration officials - management or staff - whose decisions or counsel normally would affect the operation of at least a major portion of City manpower and resources utilization or the administration of at least a major service to the City, affecting all City residents and their well-being.

20: Reserved for the top administrative official in City management.

19: Reserved for officials whose responsibilities and decisions affect practically all City operations and services and thereby the well-being of practically all City residents.

18. Reserved for officials whose responsibilities, decisions, and counsel affect practically all City operations and services - but whose decisions and counsel are channeled through at least one official in either Grade 20 or 19.

Grade 17 and 16, in addition to Grades 20 -19 - 18, are reserved for heads of major departments or assistants whose responsibilities, decisions and counsel affect practically all City operations and services, Grades 17 and 16 are reserved for officials whose decisions and counsel are channeled through at least one official in either Grade 19 or 18.

17: Official whose expertise in a specific area significantly affects a majority of City operations and services.

16: Official whose expertise in a specific area significantly affects a specific major function within City operations and services.

Grades 15 and below: No major department heads.

Grades 15 -14 - 13 are reserved for assistants to major department heads, whose specialized knowledge enables them to serve in a special function to the City, with responsibilities which can affect many City operations and services.

15: Assistant to a major department head, with decision-making responsibilities that will affect a major segment of City operations and services.

14: Assistant to a major department head, with advisory responsibilities that can affect a major segment of City operations and services.

13: Assistant to a major department heads, with advisory and/or service responsibilities that can affect many City operations and services.

Grades 12 - 11 - 10 - 9 are reserved for intermediate assistants to department heads, whose specific knowledge or skills enables them to serve in a technical or special service function primarily to their respective departments and secondarily to the City in general.

12: General knowledge enables them to assist in their departments in a primarily technical capacity. Responsibilities can affect many City operations and services.

11: General knowledge or skills enables them to assist in their departments in coordinating general technical functions of other employees.

10: General knowledge or skills enables them to assist in their departments in coordinating minor technical functions of other employees and/or in performing intermediate technical or special service functions.

9: Specialized skills enables them to assist in their departments in coordinating minor non-technical functions of other employees and /or in performing general technical or service functions.

Grades 8 - 7 - 6 - 5 - 4 are reserved for staff members who generally assist in departmental functions and who have specific skills primarily in minor technical or intermediate service areas. Any supervision or coordination of the activities of others would be restricted to general coordination of the activities of non-employees.

8: Skills enable them to assist in their departments in performing general technical or service functions.

7: Skills enable them to assist in their departments in performing semi-routine technical functions.

6: Skills enable them to assist in their departments in performing routine technical functions.

5: Skills enable them to assist in their departments in performing intermediate service functions.

4: Skills enable them to assist in their departments in performing general service functions.

Grade U (Unclassified) is reserved for professionals who work for and earn part-time salaries.

AN ORDINANCE amending Section 8, Article II of Chapter 36 of the Municipal Code of the City of Fort Wayne, Indiana pertaining to Parking Area Improvement.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. Section 8D of Article II of the Fort Wayne Municipal Code, Chapter 36, is hereby repealed and in lieu thereof a new Section 8D of Article II of the Fort Wayne Municipal Code, Chapter 36 is hereby enacted as follows:

Section 8 - General Use Provisions

D. Parking area improvement.

(1) The Board of Public Works of the City of Fort Wayne is hereby authorized and required to prescribe minimum specifications for paving, surfacing, drainage of all land used for off street parking, where required by this Chapter or otherwise in all driveways thereto; provided however, this Ordinance shall apply only to land put in use for off-street parking and driveways thereto after December 2, 1969. All land placed in use for off street parking and all driveways thereto constructed prior to December 2, 1969 surfaced with compacted crushed stone of uniform design and thickness of not less than 3 inches is acceptable.

(2) All land placed in use for off-street parking and all driveways thereto after December 2, 1969 shall be paved or surfaced and shall be drained with materials and in a manner which meet or exceed such minimum specifications prescribed by said Board of Public Works and adopted; provided, however, that nothing contained in this paragraph D shall be deemed to require the paving of any off-street parking space or driveway thereto for dwelling unit.

(3) Where such land used for off-street parking adjoins an R District, a solid wall, compact evergreen screen or uniformly painted board fence having a height of not less than 3 feet and not more than 4 feet shall be erected and maintained between suchland and such R District.

(4) All land used for off-street parking in districts for which front yards are required by this chapter shall be located not less than five feet from any property line abutting on a street; provided, however, that nothing contained in this paragraph D shall be deemed to apply to any

off-street parking space or driveway thereto for any dwelling unit.

(5) Any light used to illuminate land used for off-street parking or driveways thereto shall be installed and maintained so as to reflect the light away from any adjoining R District.

SECTION 2. Minimum Standards for Parking Lots adopted December 2, 1969 by the Board of Commissioners of Allen County, Indiana and the Board of Public Works is attached hereto, "made a part hereof and marked Exhibit "A".

SECTION 3. In all other respects except as herein repealed said Section 8, Article II of Chapter 36 of the Municipal Code of the City of Fort Wayne, Indiana shall be in full force and effect.

SECTION 4. If any part, parts, section, sections, provision, clause or portion of this ordinance shall be adjudged invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of this ordinance as a whole or any other part, section, clause, provision, or portion of this ordinance.

SECTION 5. This ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and legal publication thereof.

Section 3. This Ordinance is applicable to:

- 3.1 (a) All new buildings as defined in Section 2.
- (b) All buildings remodeled after passage of this Ordinance where remodeling constitutes 50% of the total value of the building.
- 3.2 This Ordinance is not applicable to:
  - (a) Buildings that are remodeled which have an historical value.
- 3.3 Features outlined in this Ordinance for incorporation into building designs which are based on, and are consistent with, the American National Standard Institute's specifications for making buildings and facilities accessible to, and usable by, the physically handicapped.

Section 4. The following features will be incorporated in all buildings defined as such under Section 2.

- 4.1 Grading - The grading of ground, even if contrary to existing topography, will be level with, at least one of the primary entrances. Note: In lieu of this, see 4.4 of this Section.
- 4.2 Walks - Walkways will be at least 48 inches wide, uninterrupted by steps or abrupt changes in levels.
- 4.3 Parking Lots - Spaces that are accessible and approximate to the facility should be set aside and identified for individuals with physical disabilities confined to wheelchairs.
  - (a) These spaces should be at least 12 feet wide. These spaces should be located so that individuals on crutches and in wheelchairs are not compelled to pass behind parked cars.
  - (b) If curbs exist between parking lot and building entrance, at least one section shall be curbed and identified.
- 4.4 Ramp -
  - (a) A ramp shall be required in lieu of grading described in 4.1 of this Section.
  - (b) The ramp shall not have a slope greater than 1 foot rise in 12 feet.
  - (c) The ramp shall have a handrail on at least one side that is 32 inches high. The surface is to be non-slip and have a level surface at both top and bottom.
- 4.5 Entrances - At least one primary entrance shall be usable by individuals in wheelchairs.
- 4.6 Doors - Doors shall have a clear opening of at least 32 inches when open and be operated with a single effort.
- 4.7 Stairs - Stairs shall have handrails which will be 32 inches high.
- 4.8 Floors - The surface of floors shall be of a non-slip nature.
- 4.9 Rest Rooms - An appropriate number of rest rooms within the building shall be accessible to, and usable by, the physically handicapped.
  - (a) Rest rooms shall have adequate space to allow wheelchair traffic.
  - (b) Rest rooms shall have at least one toilet stall that
    - (1) is 3 feet wide;
    - (2) is 4 feet 8 inches deep, at least;
    - (3) has a door 32 inches wide that swings out (if doors are in existence);

- (4) has handrails on each side- 33 inches high fastened at both ends and center;
  - (5) has a water closet with the seat 20 inches from the floor;
- (c) Rest rooms shall have at least one wash basin with narrow apron that is accessible to individuals in wheelchairs.
- (d) Rest rooms for men shall have at least one urinal mounted with opening of basin 19 inches from floor (as an alternative - floor mounted urinals that are on level with the main floor of the rest room, may be used).
- (e) Rest rooms shall have at least one towel and other dispensing units no higher than 40 inches from floor.
- 4.10 Water Fountains - An appropriate number of water fountains/coolers shall be accessible to and usable by, the physically disabled. Such devices shall have up-front spouts and controls, and be hand operated or hand and foot operated. These units must be mounted 30 inches from the floor.
- 4.11 Public Telephones -
- (a) An appropriate number of public telephones shall be accessible to, and usable by, the physically handicapped. Telephones shall be installed with a dial no higher than 48 inches from the floor.
  - (b) At least one telephone shall be equipped so as to provide service to those with hearing disabilities (instructions for use will also be noted next to the phone).
- 4.12 Elevators - Where elevators are required in a building, at least one elevator shall be accessible to, and usable by, the physically handicapped on the level that they use to enter the building, and at all levels normally used by the general public.
- 4.13 Controls - Switches, mechanisms and controls for light heat, ventilation, fire alarms and other controls of essential use shall be mounted so as to be reached by individuals in wheel chairs.
- 4.14 Warning Signals
- (a) Audible warning signals shall be accompanied by simultaneous visual signals for the benefit of those with hearing disabilities.
  - (b) Visual signals shall be accompanied by simultaneous audible signals for the benefit of the blind.
- 4.15 Hotels and Motels
- (a) One bedroom unit for every nineteen (19) bedroom units built in the complex shall be made accessible to and usable by the physically handicapped person.

- (b) The bedroom units allocated for the physically handicapped shall be proportionately distributed throughout the range of size, quality and price of all of the bedroom units in the complex.

In the event that the number of bedroom units allocated for the physically handicapped is not sufficient to cover the quality and size range incorporated in the total complex, the bedroom units so allocated shall reflect the quality, size and cost of the type of room which is predominant in the complex.

#### 4.16 Apartment Buildings and Complexes

- (a) One apartment unit for every twenty-four (24) apartment units built in the complex shall be made accessible to and usable by the physically handicapped persons.
- (b) The proportion of apartment units for the physically handicapped which are studio, one-, two-, three- and four-bedroom units shall be the same as the proportion of said units in the total apartment complex.

#### 4.17 Seating Accommodations

- (a) Places of assembly with fixed seating arrangements in the aforementioned buildings shall provide performance viewing positions (parking space) for wheelchair persons in accordance with the following schedule:

<u>Capacity of Assembly Space</u>	<u>No. of Viewing Positions</u>
-----------------------------------	---------------------------------

Up to 50.....	Minimum 3
---------------	-----------

51 to 100.....	Minimum 6
----------------	-----------

101 to 500.....	Minimum 12
-----------------	------------

501 to 1000.....	Minimum 16
------------------	------------

1001 to 1500.....	Minimum 20
-------------------	------------

Over 1500 - Minimum 20 plus 1 for each 300 over 1500	
--	--

- (b) Viewing positions for wheelchair persons shall be provided in a reasonable and convenient section or sections of the facility by either or both of the following methods:

- (1) Providing portable seats which can be easily removed;
- (2) Providing clear space devoid of any portable or fixed seating arrangements.

These positions shall be located so as not to interfere with egress from any row of seats, shall be reachable by means of ramps and/or elevators, and shall not infringe upon aisle requirements.

- (c) There shall be no steps in the aisles or in the access route to the performance viewing positions, but the aisles may be inclined.

Section 5 - Enforcement and penalty shall be as follows:

- (a) A building permit shall not be granted unless the provisions of this ordinance are met by the applicant.
- (b) Violation of any provision of this ordinance, upon conviction, shall result in a fine not less than \$50.00 nor more than \$\_\_\_\_\_.
- (c) Violators, once cited, shall have 120 days to correct said violation. Failure to do so shall constitute another violation of the Ordinance, and be subject to the penalty outlined in Section 5 (b) above.

Section 6. If any part, parts, section, sections, provision, clause or portion of this ordinance shall be adjudged invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of this ordinance as a whole or any other part, section, clause, provision, or portion of this ordinance.

Section 7. This ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and legal publication thereof.
